We may have had two arrests but I'm not sure yet. If I'm arrested, please get in touch with Neal Rauhauser, who will have useful information for you regarding th3j353r's likely participation. He said that any defense attorney would be "delighted" to hear what he has to say, but he can't tell me at the moment. Assuming I'm still free, I'll make the introduction. Otherwise, nrauhauser@gmail.com.
